 eMail: sales@tm-vertrieb.com

No more disorder in your Upright Freezer!

With our drawer racks made of stainless steel, you are able to find your needed samples a lot more easier.

Because of the intelligent drawer style you don't need to take the whole rack out of the freezer if you need a cardboard box but you only have to pull out a single drawer.

Our racks fit in every upright freezers of every manufacturer and are "Made in Germany" with a very high quality .

Even special sizes are no problem. Please ask us!!

Type of boxes	Number of boxes		Racks with drawers for upright freezers for Cardboardbox Type C		
	F-B	H	Cat.-Nr.	Dim. in mm (WxF-BxH)	Price in €
KC33	3	2	SC3332	134 x 390 x 273	139,00
	4	2	SC3342	134 x 515 x 273	154,00
KC44	3	2	SC4432	160 x 468 x 273	139,00
	4	2	SC4442	160 x 619 x 273	154,00

The above mentioned racks with drawers are without pull-out-stop.

If you want to order racks with pull-out stop just add "-S2" to the cat.-number. (e.g. SC3332-S for a SC3332 with pull-out-stop.) Prices and dimensions will not change.

For a better identification of the racks inside the freezers we offer you the possibility of providing the chest racks with a labelling field with a numbering according to your wishes. The numbering is laser cut off a stainless steel plate (WxF-B=50x40mm).

Cat.-Nr.	Description	Price in €
Z001	Labelling field with numbering, WxF-B=50x40mm	5,00*

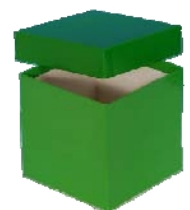

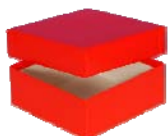

*no discount on this price.
