

Great savings on Thermo Scientific Heraeus Pico 21 and Fresco 21 microcentrifuge packages.

## Small instrument, big impact

The Thermo Scientific Heraeus Pico 21 and Fresco 21 microcentrifuges combine power, versatility and convenience in a safe, compact, easy-to-use lab instrument. Both the ventilated Heraeus Pico 21 and the refrigerated Heraeus Fresco 21 are designed to accelerate your routine sample preparation processes by providing high speed and generous capacity along with outstanding safety and convenience.

## Only one is not enough!

**Purchase a microcentrifuge package now for an incredible price!**
